Racket Sports News

The first Saturday of this month we are inviting everyone out to a spring open house. When's the last time you played tennis, pickleball, and table-tennis in one afternoon? This is your chance to complete the racquet sports trifecta: the triathlon of ball striking: the triple-crown of forehand town.

But really, it's just a great chance to bring the fam out for some fun outdoor activity in fresh spring weather. Learn about our upcoming programs and events, and get signed up for the first ever HHCC Member-Guest Pickleball Tournament! (May 11th).

Outdoor Season

So ready to play tennis outside again. Don't get me wrong, I love our indoor courts- hands down best lighting I've played under, and a plush cushion surface like no other. But my sock tan is looking mighty weak about now, and that's something I usually take pride in. Who else is hyped to play outdoors?

Clay Courts

Opening this month! Perhaps already opened by the time you read this- a brand new, freshly laid surface is ready for play.

Be mindful of the clay after a rain and please postpone play if it has not had time to adequately dry. If it's soft and mushy, best to be avoided so that nobody gets injured and the court isn't torn up.

Pickleball

Have you played on the new courts yet? The sport is blowing up everywhere, and Hunting Hills is the next hotspot. If you haven't tried pickleball, give it a shot. We're doing pickleball clinics Tuesdays 10:30-11:30 and courts are available first come first serve or by reservation.
