

Hound Dog Report

Welcome to Hunting Hills Swimming! We are so excited to be getting started! This year brings some new faces and exciting changes but will still include the fun traditions you know and love: Donuts for Dogs, Potluck and Pies, and Family Fun Nights to name a few! Please be sure to check our website regularly as new information will be added as the season progresses. We can't wait to see you at the pool!

Coach's Corner

We are thrilled to welcome Coach Morgan Richter to our team this year! Morgan brings with him a wealth of knowledge and so much enthusiasm about coaching summer swimming. He will be joined by six experienced assistant coaches who are ready and excited to spend the summer making our team the best that it can be.

Registration

If you have not already, please register to swim on the Hunting Hills website AND with the RVAA. Both registrations are required for participation in practice and meets. The registration deadline to swim in the first meet is June 5.

Volunteer Opportunities

Please consider signing up to be an official or computer operator. These are important jobs that are integral to hosting meets, and we really need to fill them. Training is provided through the RVAA. No prior experience is necessary! Links to sign up are on the RVAA website, and below. Want to help with the Swim Team Committee? Send us an email, or just let any one of us know. We would love to have your help!

Text Alerts

We will be using Team Unify to send communication about practice cancellations, approaching deadlines, etc. It will be an important line of communication between the coaches and you, so please check that you have your number listed under SMS text on your Team Unify profile to be able to receive text alerts.

Apparel

If you have not already, please visit The Swim Shop at 3214 Electric Road to purchase your team suit. The deadline for embroidery is May 28. After that day you can still order a suit, but it will not be embroidered with the team logo. A team shirt and cap were included in your registration. Those will be distributed to swimmers when we get them.

Team Merchandise

Hunting Hills Swim Team is selling towels as a fundraiser this year! This is a pre-order event, meaning that we will not have extras to sell. Towels will arrive early July & will be distributed at the club. Deadline to order is Friday, June 3. Payment in advance is required. For more information, or to order, use the form below.

Calling All Adults!

We need you! Did you know that every week points go unawarded in most adult age divisions? Fast or slow, experienced or novice, we would love to have you join us. Practices are held during children's practice times, as well as additional classes on Wednesday evenings and Saturday mornings. Swimming is great exercise, and a fun experience to share with your kids. As a bonus, two 25-dollar club dining credits will be raffled off before the first meet for all adults signed up to swim. Register today!

Thank You to Our Sponsors!
