

Hunting Hills Country Club

June 2022

Congratulations to our 2022 Men's Member-Guest Champions Dr. John Wood & his guest Arthur Wood!

A NOTE FROM THE GENERAL MANAGER

Dear Members,

Summer is finally here, and I couldn't be more excited. I have an overwhelming feeling that we are going to be blessed with great weather this season. With that, I anticipate all the Club's facilities will be going full throttle and hope you are able to take advantage of the wonderful amenities and events we have planned this year. As we work our way through the year, we also inch closer to meeting our membership goals for 2022! This year is shaping up to be one for the record books and we cannot thank our members enough for helping us grow. Throughout the past two years we have seen a significant increase in membership due to our clubhouse renovation, new amenities including Kid's Club Drop-in Care, Fitness offerings and our Event Services. I want to thank our managers and their teams for the GREAT job they are all doing, we have an amazing staff here at HHCC.

Thank you to all our members who continue to promote the club to their family, friends, neighbors, and coworkers. You are our greatest ambassadors to recruit new members and grow the club. We truly appreciate your business and continued support of the club.

Sarah Blanchard
General Manager

POOL UPDATES

Our staff has been working diligently during the off season to make sure the 2022 Pool Season is a success. We have updated the men's and women's bathrooms to include new faucets, shower curtains and mirrors at the vanity areas. A new fence has been installed around the Dive Bar to allow us to stay open after pool hours and the Snack Shack has undergone a complete upgrade to provide a better dining experience for our members. The Snack Shack, Pool House building, and kid's pool have received a fresh coat of paint. The kid's playground area was recently mulched, new swings were installed and a new seating area was added for parents. A new addition this year will include water tables around the kid's pool area for our littlest members to enjoy. More upgrades are in the works for next year and we truly hope that everyone enjoys this pool season.

JUNIOR TENNIS ACADEMY

Last summer our Head Tennis Pro Thomas Hall introduced us to his junior tennis academy which runs weekly throughout the summer. We are glad to announce that after a very successful summer last year Thomas will again be hosting his academy here at Hunting Hills this summer starting June 7th. Before joining us at Hunting Hills Thomas served as a coach in one of the most renowned tennis academies in the country which hosted several players who were at the top level nationally in their age division. Through this experience Thomas has put together an academy for our advanced juniors that will reflect what top level players across the country are doing to improve their game. This academy is open to players from ages 12 to 18 although some exceptions may be made for younger students who demonstrate an advanced understanding or ability for tennis.

A tennis academy is a sports camp that uses elite level training with top coaches and expert knowledge to help athletes of all skill levels reach their full potential. Our tennis academy differs from a typical junior clinic in the sense that it is geared towards using high level training in a more competitive environment to help students take their game to the next level. This includes more advanced drills that are repeated weekly, more intense fitness training that will help our athletes handle endurance on the court and more advanced point play scenarios that teach our students how to handle even the most difficult opponents and challenges that come with playing tennis. The First series will be June 7th - July 1st and classes run Tuesday through Friday from 4pm-6pm.

To sign up or for more questions please contact our Head Tennis Pro Thomas Hall at (901)-828-2168 or via email @ thall@huntinghillsc.com

PURE BARRE AT HHCC- NEW

Pure Barre is a group fitness workout that will tone muscles; improve mind-body connection; and increase agility, flexibility, and strength for every body. Taught by our highly trained teachers, you will be guided through a 50 minute high-intensity, low-impact, total-body workout. You can expect to receive results in as few as 5 classes. Just bring a mat, sticky socks, and leggings long enough to cover your legs past your knees—everything else will be provided!

Tuesdays & Thursdays 9:30am
in the Blue Ridge Room
Classes are FREE to all membership levels Social+

US Kids Junior Golf Program- New at HHCC

The junior golf season is quickly approaching and we hope all of the junior golfers are as excited about the upcoming season as we are! Hunting Hills Country Club will be using U.S. Kids for junior golf programming. U.S. Kids uses a height based color-code system to fit clubs and the programming makes it fun for players to learn while keeping them engaged. The “Player Pathway” creates a structured path for advancement for juniors of all ages and abilities. The curriculum focuses on all aspects of the game from skill components to etiquette and knowledge; making all of the junior golfers well rounded. The Player Pathway is an easy to follow curriculum with check points to help guide development. There are 10 Levels; each includes Putting, Around the Green, Full Swing, Knowledge, and Scoring to help guide the junior player to the next level. Upon completion of each skill / level, pins are issued; collect all of the skill level pins to advance to the next level.

We are pleased to bring this programming to our HHCC Juniors. Be on the lookout for all of our upcoming Junior golf offerings or reach out to the Golf Shop 540-774-4435, Option 1 to enroll.
