## A Letter from the General Manager

Dear Members,

As we transition into spring, I am pleased to share important updates and new opportunities at The Club. Our pool renovation remains on track for completion by May 1st, just in time for the summer season. For those who are new to The Club, or who missed the announcement, the pool renovation will include replacing the plaster liner, coping stones, perimeter tiling, and depth markers. Additionally, six sets of wall steps will be repaired, new tiling will be installed on the main pool steps, and the pool lighting will be upgraded to LED lights.

We are looking for members to join our Social Committee, which plays a key role in shaping The Club's social events and programming. This committee helps ensure that our dining experiences, special events, pool activities, and family programming align with the interests of our membership. If you're passionate about enhancing The Club's social atmosphere, I'd love to hear from you.

We are seeking members interested in serving on the Board of Directors for the upcoming year. If you would like to be considered, please complete the questionnaire we emailed in February. Your involvement is essential to the continued growth and success of our Club.

Additionally, you should have received our 2025 Annual Survey Email in February. If you haven't already, we encourage you to take a moment to complete the surveys that apply to the amenities you use. Your feedback is invaluable in shaping the future of The Club.

Our Annual Shareholders Meeting will be held on March 20th at 6:00pm. Light refreshments will be available from 6:00pm-7:00pm, and the meeting will begin promptly at 7:00pm. The restaurant will remain open for normal operating hours. We encourage all members to attend and participate in this important discussion.

We have an important staff update to share. John Barker, our Director of Tennis, will be retiring at the end of this month after an incredible 39 years of dedication to The Club and its members.

John's unwavering commitment, hard work, and passion have played a vital role in the success of our Tennis Program. While he is retiring from his full-time role, we are pleased that he plans to remain involved, helping out seasonally and assisting with the transition to a new Racquet Sports Professional.

Please join us in congratulating John on his well-earned retirement. If you see him this month, be sure to thank him for his years of service and dedication to our Club!

As always, my door is open—please reach out if you have any questions or would like to get involved in any of these opportunities. Looking forward to an exciting season ahead!

**Sarah Blanchard**

General Manager, Hunting Hills Country Club

## Annual Shareholders Meeting

Thursday, March 20th

Join us for our Annual Shareholders Meeting. All members are encouraged to attend and participate in this important discussion. The evening will start with a cocktail hour at 6:00pm, followed by the meeting at 7:00pm.

## Junior Golf Spotlight: Townse & Lee Phillips

We're excited to feature two outstanding young golfers in our Hunting Hills Junior Golf Spotlight—Townse and Lee!

These talented brothers are quickly making a name for themselves in the junior golf scene. You may have seen them practicing or competing on the course! Beyond their athletic abilities, they are known for their sportsmanship, kindness, and respect for the game. While they share a passion for golf, each brings their own unique strengths and personality to the sport.

If you see Townse or Lee around The Club, be sure to say hello and cheer them on as they continue their journey in golf!

## Racket Sports News

### St. Patrick's Day Social - March 15th

Leprechauns are tricky. I can imagine that a leprechaun who played tennis would have a crafty game. They're not going to overpower you, given their size, but they're deceptively fast. And they're annoyingly lucky with their four leaf clovers, and every net cord seems to go their way.

And of course the leprechaun has the touch. The magic touch. The drop shot.

You'll get the opportunity to learn from a leprechaun and use your magic touch to win prizes! Can you land your drop shot into a pot of gold?

### Pickleball Opening Day - March 1st

Assuming the weather is nice, come out for pickleball opening day. We'll have bagels and coffee and get some pickling action underway for the season. If you're interested in pickleball, pro or novice, come on out! This is an opportunity for pickleballers to meet one another and coordinate about open play for this outdoor season.

### Field Trip: Virginia Tech Vs. Cal Men's Tennis - March 23rd

On Sunday, March 23rd we're heading to Blacksburg for an afternoon of college tennis. Come watch some of the nations best collegiate athletes compete in a head to head dual match. College tennis is played in a dual match.

The first team to collect four points wins the dual match. Doubles play will start with the team winning two of the three matches taking a single point. All six singles matches will be a single point, with a maximum score of seven.

The match starts at 3:00pm on Sunday March 23rd. Jim Thompson, Head Coach of Virginia Tech Men's Tennis, has been kind enough to extend an opportunity for anyone interested to do a meet and greet with some of the team. This is an opportunity, especially for our juniors, to see what college tennis is like and to learn from their experience.
