New Swim Coach

Morgan Richter grew up in Cleburne, Texas, a small town south of Fort Worth. Morgan swam for both Cleburne High School as well as Sigma Swim Club. From there, Morgan attended Goucher College, a liberal arts college in Towson, Maryland. By the end of Morgan's collegiate career, he had broken 11 school records, was a 4 time 200 fly conference champion, and had achieved both Academic All-American and All-American status. Morgan is currently the Head Age Group coach for the Virginia Gator Swim Team. When Coach Morgan is not at the pool, you'll find him either walking his dogs, Dexter and Fitzgerald with his fiancée, Christine, or exploring the Roanoke Valley Area.

Golf- Nine & Dine

Nine & Dine offers couples and families the opportunity to participate in fun, non-competitive golf outings the last Friday of every month May-September. Nine & Dine is a great way to meet other members of the club while enjoying an evening of golf and dinner with your partner. These events are open to all member and you may sign up through the professional staff in the golf shop. Our goal is to make each event fun and relaxed to make sure golfers of all skill levels can participate. Each outing starts at 5:30 pm with participants playing 9 holes in varying formats. Following the round, players can enjoy dinner with the other participants in the restaurant. Anyone who turns in their scorecard to the servers will get 15% off their dinner for the evening! Whether you are a new member looking to meet other families at the club, or a long time member in need of a fun evening with your partner, we highly recommend signing up!
