

A LETTER FROM THE GM

It is hard to believe that summer is almost over, and the kids are back at school. We continue to strive to work hard to provide excellent service and a comfortable environment for our members. The club has been busy with events and we thank you all for your continued support. We have a full calendar ahead for this month and we look forward to seeing you at the club. If you are making holiday plans for this upcoming season, please keep us in mind for your event. Chef Charles is launching a new menu this week and we hope you all will dine with us and enjoy our new offerings.

Golf at HHCC continues to be a gratifying experience, with the course in the best condition that it has been in since I started at the club 3 years ago. Our golf, grounds and maintenance teams have done a tremendous job over the past few months with all our member tournaments and outside events. We are looking forward to a successful Member-Member Tournament at the end of this month.

As we wrap up our pool season, I would like to thank all our lifeguards and pool staff for another great year. The pool will remain open until the end of the month weather permitting but due to staffing it will be "Swim at your Own Risk" and the Snack Shack and Dive Bar will operate on reduce hours. We plan to continue to make improvements to the pool area over the winter for next season. We hope you will join us for the Labor Day weekend celebration at the pool this coming weekend.

HHCC Membership has continued to grow in 2022. This year we have added 82 households marking three consecutive years of growth for the club. Members are always our best ambassadors. Help us continue to grow by sharing the club with your family, friends, and acquaintances. Don't forget about our referral program. Even though summer is almost over, we still have events planned for the remainder of the year including our annual Fall Festival, Halloween events, ice skating rink, wine dinners and annual holiday celebrations. Make sure you and your family take advantage of everything HHCC has to offer year-round.

SUMMER CAMPS

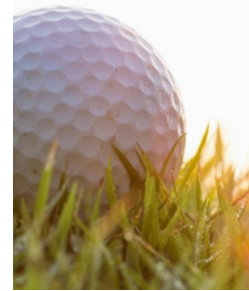

We'd like to give a special thanks to everyone who participated in summer camps this year. We had an absolute blast learning, playing, and swimming at the pool with the kids this summer. We hope the children enjoyed the camps as much as we did! Our sports camps are a great way to keep the kids busy and active during summer, helping them learn a lot of tips and techniques from our golf and tennis instructors. There were also so many fun activities and crafts during our themed camps; from learning about plants and animals to making homemade lava lamps and more. Cooking with Chef Charles was also a very special treat! It was a summer full of laughter, friends, and sunshine. A lot of memories are to be made here at Hunting Hills!

ICE SKATING RINK

We are thrilled to add a new winter amenity to our club offerings this year. Starting mid-November throughout the winter months our lower patio will be transformed into a Synthetic Ice Rink. Skates will be available in the pro shop for a small rental fee. The rink will also be available to rent for private parties and holiday events. We hope to create many memories and share the joy of ice skating with our members and their families. More information will be announced as we approach the installation date.

HOLIDAY EVENTS

As you know, we have several upcoming holidays in the next few months of 2022. If you or someone you know would like to book holiday dinners, parties, or events, we would love to host you and your guests! Please keep in mind that we can accommodate anywhere from 10 to 200 guests. We would love to share our special menus or would be happy to create a custom menu with you as well. This season all members will receive a complimentary room rental*. Our calendar is booking up quickly, so please contact us soon if you are interested in booking an event.

Reach out to our Events team at events@huntinghillsc.com for more details

*Room rental is valid for the Clubroom, Blue Ridge Room or Sportsbar
Tuesday-Friday 8am-3pm
November 1st-December 30th
