First Annual Greenberg Cup

On October 14, the First Annual Greenberg Cup Golf Tournament was held at HHCC- honoring renowned golfer and long-time member Richard Greenberg. Under perfect October skies, 60 men and women competed in a Shamble Flite for a spot in the playoff on Hole 2- the site of Richard's famed Hole in One. 4 golfers qualified to use Richard's original 4 iron to attempt to duplicate his feat. His son-in-law Phil Katz came closest and was declared the winner. It was a wonderful day of glorious weather, splendid hijinks, sweet remembrance, good fun, and bad jokes. Thank you to all that participated!

Ghouls & Golf Carts

Thank you to all of the members who participated in our Halloween activities. It was a great weekend packed full of golf and family fun. Ghouls and Golf carts was again one of our members' favorite Halloween traditions with 14 decorated golf carts and numerous children in attendance for Trick-or-Treating.

Men's Member-Member Winners

Congratulations to Curtis & Ryan Burchett, our 2022 Men's Member Member Winners! Gene McBurney and Paul Zheng were our runners-up. Thank you to everyone who participated in the Member-Member Tournament. The Schedule of Events for the Golf Calendar has concluded for the 2022 Season. There will be a Winter Clinic Schedule coming out soon, so keep your eye out for some fun off-season programming. Thank you for a successful golf season and we look forward to next year!

HHCC Gives Back

Toys for Tots

This year we will be collecting toys for the Marine Toys for Tots drive. All donations should be placed in the boxes at the clubhouse entrance by December 5th. The mission of the program is to collect new unwrapped toys and distribute those toys to less fortunate children at Christmas.

Blankets for the Homeless

Over the past seven years, my mother and I have reached out to the homeless here in the Roanoke Valley. We gather gently used or new items such as yoga mats, sleeping bags, blankets, duvets, gloves, hats, and shoes, to hand out to the the needy. This population frequently suffers from mental health issues, has had their social security and other forms of ID stolen, or been hit by hard times. Getting to know this population has been an eye-opener. They have their stories of heartache, disappointment, rejection, and hopelessness.

Will you consider being kind enough to join us on this journey? If you are able to help with this project please place items in the collection box outside the Golf Shop from November 2022 to April 2023.

In anticipation, I want to thank you for considering this need and supporting this project.

Appreciatively,
James Kasza- Golf Director of Development

Tennis News

Thank you, Hunting Hills, for the warm welcome you've given me. It's been two months now that I've been here in Roanoke with you all. Here are some experiences I've had so far:

US Open Party, Pro-Am, and Hall of Fame Weekend

I got here right on time. My first weekend at HH was legendary. It started with the US Open Party. Not only was there an American in the men's semi-final for the first time since 2006, but we were outside watching it on TV under the tennis court gazebo with pizza, drinks, and desserts. You could say it was the ideal late-summer Friday night vibe. The next morning was the Pro-Am tournament. I was blown away by the fantastic range of amateur players and an impressive lineup of pros! It was during this event that I started to see the depth of the tennis community here in Roanoke— not only within Hunting Hills but between players and coaches of different clubs as well. Later that night was the 2nd Annual Roanoke Valley Tennis Hall of Fame dinner and ceremony. It was a privilege just to be in the room and hear people share stories and memories from the rich tennis history found here. The event was sincere, and impactful, honoring the individuals involved and the game of tennis itself.

Lessons and Clinics

I want to give a special thank you to everyone who has chosen to spend their time with me on the tennis court. I've been fortunate to coach many lessons and clinics in my initial two months. You are the best part of my daily routine. I am grateful for the support you've shown me, as well as the fun we've shared and the work we've put in on the tennis court.

American Heart Association Tournament

A few weekends ago I have the opportunity to play in one of the longest-running annual sporting events in all of Virginia. The tournament took place over three days and featured more than 30 doubles teams. Lots of exciting competition in each division— and all done in support of a great cause.

Home at Hunting Hills

To many of you, Hunting Hills has been your home for quite some time. Some of you have spent your whole lives here, and some have watched kids and grandkids grow up here. I'd like to acknowledge the beauty in that and the special privilege it is to be welcomed into your community. I am honored to make a home here with you all. Finally, I'd like to thank Jose Rincon from HVCC for connecting me with Hunting Hills, and John and Kara Barker who have gone above and beyond to make this opportunity possible and make me feel at home. This Thanksgiving season I have many new things to be grateful about. I'm glad I get to be here for this beautiful autumn at Hunting Hills Country Club, and so stoked looking ahead at all that's to come.

Sincerely, Shepherd Newcomb- Assistant Tennis Professional
