Registration: Camp spots fill up fast! Registration is a one-time charge which covers enrollment, all activities, meals, and snacks. 50% of the registration will be billed to your account upon enrollment as a nonrefundable deposit. This deposit holds your spot in the program. The remainder of the tuition owed will be charged directly to the attached member account the week prior to the start of camp.

Registration forms are available at the front desk of the Clubhouse. You can also receive/submit a registration form via email, or you can call in and fill out the registration over the phone at (540) 774-4435, option 0.

Meals: We will be providing a mid-morning snack, lunch, and an afternoon snack to all campers.

Monday: Pizza Day! Cheese and pepperoni pizza as well as fresh fruit and chips

Tuesday: Taco Tuesday! Beef and/or chicken tacos, and cheese quesadillas with both hard and soft shells available. All fixings included.

Wednesday: Pasta Day! Two types of noodles, optional red sauce, meatballs, garlic bread, and steamed veggies.

Thursday (4-day program only): Golden Day! Chicken tenders/nuggets, buttered noodles, broccoli, and fries.

What to send with your child:

- Appropriate footwear
- Backpack
- Water bottle
- Lunch and any additional snacks.
  If your camper is a picky eater or does not like the lunch options
- Warm clothes (we will be spending time outside if possible, including in snow play)
- Change of clothes (for accidents, messy crafts, and potential snow play)
- Please label items with your child's name to ensure lost items can find their way back

Electronics Policy: We understand that some families may want their child to have a phone on them as a safety precaution, but campers are expected to keep phones in their bags. We strongly discourage any additional electronics within the camp program. Phones, game systems, iPads, etc. all actively detract from the intended group bonding experience that camp offers and may be lost or damaged.

Any camper caught using an electronic device inappropriately or to the detriment of the program will have it confiscated for the day and returned to their parent/guardian at pick up.

Pick-Up/Drop-Off: Parents can drop their camper off at the Clubroom located on the left side of the Clubhouse. There will be signage and a check in table present at the Clubroom entrance. Drop off is anytime after 8:30 am (early drop off is available as early as 7:30 am). We recommend dropping off before 9:00 am as we begin programming at that time.

Pick up is anytime before 3:00 pm.

Pick-Up Policy: We will be instituting a pick up authorization list for each child in our care. A child will only be released to an authorized adult, **NO EXCEPTIONS.**

Only an individual whose name appears on a campers registration may add names to a pick up authorization. Pick-up authorization forms will be available at the Clubhouse front desk, on arrival days of each camp, and at the open house.

We understand that many families choose to attend camp at the same time and may choose to coordinate drop off and pick up throughout the summer. Please complete your pick-up authorization with this in mind (extended family, nannies, grandparents, etc.)

Behavior Policies: All campers are expected to uphold the Three Respects:

Respect others: Treat others with respect and courtesy. Embrace each other's differences and never seek to make another person feel excluded or less than.

Respect yourself: Make choices that will enrich your experience. Advocate for yourself and ask for help when needed.

Respect the environment/property: We are stewards of the environment and the property and must act accordingly.

**Any willful damage done to the grounds may result in the involved parties financially responsible for the repairs and/or replacement of damaged items.*

Behavior Philosophy: In any instance of poor behavior we always look to address the individual(s) in the context of the situation. The summer camp team is trained to look at disciplinary actions as an opportunity for growth, not just a punishment, and embrace the nuances that exist in the actions of children.

When addressing behavior, the intended outcome is an action plan that the camper will be held accountable to. Our job is to make sure we help them grow and navigate these decisions to the best of their ability.

Choosing to break the rules or jeopardize the safety of themselves or the group may result in:

- Sitting out of an activity
- Calling home and having to explain their actions to their parent or guardian
- Early dismissal
- Camp community service
- Suspension or expulsion from the program

If any of these actions are deemed necessary, there will be a write-up completed by the staff member for the parent/guardian to review and sign at pick-up.

Cancellation Policy: By enrolling in the Winter Camp program you will be charged a 50% non-refundable deposit. Any additional refunds are approved at the Director's discretion.
